Please number these choices in order of your preference

(1 being the class you would like to take most). **You must fill in all choices or you will be randomly placed!**

Name \_\_\_\_\_ Grade \_\_\_\_\_

\_\_\_\_\_ **Advanced Jewish Cooking: (This class is open ONLY TO 12<sup>TH</sup> GRADE)** As we approach graduation, you will be on your own and have to make your own food – that includes cooking for Shabbat and Jewish holidays. Spend some time preparing all of the necessities needed to make great Shabbat treats and review all of the rituals to make your Shabbat table special.

\_\_\_\_\_ **Current Events:** Explore some of today's news, but look at those articles with new eyes – Jewish eyes. How do events in Israel affect us as Jews? How do events here in the US impact us? Is there such a thing as a "Jewish agenda?"

\_\_\_\_\_ **Mostly Midrash:** The idea of creating stories and explanations from the Torah and turning them into Midrash is really an art. We will look at some Midrashim and discuss the ups and downs of Midrash. We will also learn to create our own Midrashim.
