

MBS ELECTIVES

Machon Beth Sholom

Monday Evening Electives – Spring 2010 – Grades 8 and 9

Please number these choices in order of your preference

(1 being the class you would like to take most).

You must fill in all choices or you will be randomly placed!

Name _____ Grade _____

_____ **Anti-Semitism:** Learn about different periods in history when Jews faced hatred such as the Crusades, the Inquisition and of course the Shoah. Learn about what breeds this hatred and what we can do to combat it.

_____ **Israel: Before It Was A “State:”** We learn a lot about Israel in its modern form, but what went in to making Israel a country? How was what was basically a desert become a sophisticated entity? Discuss the people and places that shaped Israel and its culture.

_____ **Shul of Rock:** In Shul of Rock we will be exploring many different contemporary Jewish musicians that inspire a new generation of Jewish ears. Throughout the semester the class will be focusing on Jewish artists and analyzes Jewish texts that music infuses into Jewish life. During our course you will have the opportunity to communicate with Jewish artists from your generation and even compose your own song.
